

SNOW FRIENDS!

THINGS YOU'LL NEED ...

2 1/2 X 18" OFF WHITE WOOL FOR HEXIES * 1 X 5" BLACK WOOL FOR EYES * 2-8 X 8" DARK BLUE WOOL FOR BACKGROUND AND BACK * 2 X 8" ORANGE WOOL FOR NOSES * 2 X 2" LIGHT BLUE WOOL FOR STAR * MATCHING EMBROIDERY FLOSS* BASIC SEWING SUPPLIES

CUT THIS ...

7 - HEXIES FROM WHITE * 12 - BLACK EYES * 6 - ORANGE NOSES * 1 - STAR
BACKGROUND WILL BE HANDCUT LATER

THIS IS WHAT YOU'LL NEED TO DO . . .

- * USING ROXANNE'S GLUE BASTE, GLUE THE FACES TO THE HEXIES, ALTERNATING WHICH WAY THE NOSES GO SO THAT EACH SNOW MAN LOOKS A LITTLE BIT DIFFERENT. GLUE THE STAR ON ONE HEXIE.
- * WITH ONE STRAND OF FLOSS, WHIP STITCH THE EYES AND NOSES, USING FLOSS TO MATCH. WHIP STITCH THE STAR IN PLACE, TOO.
- * WITH ONE STRAND OF OFF WHITE FLOSS, MAKE SMALL STARS IN THE SNOWMAN EYES.
- * USING THE SAME OFF WHITE, MAKE A SNOWFLAKE WITHIN THE STAR, STARTING AT THE MIDDLE EACH TIME. MAKE AN X THRU THE CENTER.
- * USE TWO STRANDS OF BLACK TO MAKE THE XS FOR THE SNOWMAN'S MOUTH.
- * USE ONE STRAND OF PINK TO MAKE CHEEK LINES.
- * STARTING IN THE CENTER OF YOUR BACKGROUND WOOL, LAY THE HEXIE WITH THE STAR. ADD THE REMAINING HEXIES AROUND THE CENTER, ALLOWING A SCANT 1/8" BETWEEN THEM, WITH THE SNOWMAN FACES TOWARD THE OUTSIDE EDGES.
- * WHIP STITCH HEXIES WITH ONE STRAND OF LIGHT BLUE FLOSS.
- * FOLLOWING THE LINE OF THE SHAPE OF THE HEXIES, CUT A SCANT 1/2" FROM THE EDGES. LAY THE PIECE ON TOP OF THE BACKING AND CUT TO MATCH THE TOP.
- * BLANKET STITCH AROUND THE OUTSIDE EDGE WITH TWO STRANDS OF BLUE FLOSS.

GIVE THE SNOW FRIENDS PERSONALITY BY CUTTING EACH NOSE A LITTLE BIT DIFFERENTLY AND MAKING THEIR SMILES UNIQUE.
